Director's News Letter:

Happy Fall YALL!

What a wonderful school year we are already having. The children are doing amazing and have been busy learning new skills, meeting new friends, and having fun. So much laughter and singing can be heard throughout the halls and busy artists have been decorating the classrooms. I am thankful to our incredible team for helping make this transition so smooth.

October is a busy and exciting month! We will be enjoying our chapels, where we celebrate birthdays and hear an important message with songs and a story, music & movement (every other Wednesday), school picture days, and the annual Harvest Festival which is always a treat! Please see the dates below, as well as your child's classroom calendar so you don't miss the fun!

On October 30th & 31st, we invite everyone to wear orange and black. Costumes are discouraged as it can be difficult to participate at school (especially restroom usage) at this age. But there will be extra fun activities and snacks planned for those days. Our Chapel themes are around the harvest, and The Farmer and the Seeds. We will talk about being a part of God's family and the gift of harvest. Parents are always welcome to join us at chapel.

Thank you for allowing us to spend this quality time with your children, they are such a joy!

Many smiles & hugs
Jody Carmichael
