Santa Ynez Valley Presbyterian Preschool

Director's News Letter:

Dear Families,

Tis' the season for so much fun! I hope you all had a wonderful Thanksgiving and are excited for the holiday fun to continue. Christmas is an extra special time here at the preschool and we hope that your child will truly embrace the meaning of Christmas and the best gift God has given us, Jesus.

A huge THANK YOU to everyone for their Giving Tree gifts. We have surpassed the \$2,500 goal and are very excited for the Music Wall and Mud Kitchen that will be going in during our December break. Your generosity is greatly appreciated and the children will love and benefit from the new outdoor activities.

We have so much happening this month. At Chapel we will focus on the birth of Jesus and celebrate His arrival in song and story. Please join us at our very special Christmas Chapel on December 19th and 20th at 9:30am for a special presentation from the children. It is a wonderful holiday tradition.

We hope you will participate in our first ever PJ Drive! Please bring new or gently used PJs and drop them off in our basket between classrooms 5 and 6. PJs will be given to shelters in the area to help neighbors less fortunate to have a warmer night's sleep. To celebrate the gift of giving, we will have our own PJ days for the entire school on December 12th & 13th...so come cozy and warm!

As a reminder, we are closed December 23rd-January 3rd and will be returning on Monday, December 6th. I wish you all a beautiful and blessed Christmas season, filled with special time with family and friends.

Merry Christmas!
Jody Carmichael

Parent Club Note:

Hi Parents,

We are excited to announce that we have reached our Mud Kitchen goal from the Giving Tree! Thank you so much for all your support. The project will break ground over the holiday break and the kiddos will get to enjoy the additions to our playground for the back half of our school year!

We will be distributing individual sugar cookies with each child's name on them after our Holiday Chapel performances by the lovely 3 Cubs Cookies.

Don't forget to pass along our link and to order your holiday gift wrap through Charleston Wrap.
