## Director's News Letter:

Dear Families,

We love February around here as we spend a lot of time talking about God's love! This is a wonderful time to talk about the love He gives, and how we can show love for others in so many ways. As we spend this time together, we share His message through song and stories, focusing on being a good friend and taking care of others. What a blessing!

February is also "I Love Books Month". This is a favorite tradition as we ask each classroom and family to keep track of how many books they read each day. Please see the tracking sheet outside each classroom and write your child's name and the number of books you read the day/night before at home. We will keep a tally and create a visual for all to see and watch grow throughout the month. Fun! Each classroom will be enjoying a "SWEET" Valentine's Day party and parents are welcome to bring something to share. Please look for sign-ups outside your child's classroom. On February 13th & 14th, we hope everyone will show their school spirit and wear the Colors You Love to celebrate altogether.

It is such a joy to spend each day with your children. The love the staff has for each child and for the work they do is a blessing and a gift I am so thankful for.

Many Smiles!  
Jody Carmichael

## Parent Club Note:

Hi Parents,

Our mud kitchen will be installed in February. If anyone would like to donate any new or gently used kitchen pots and pans (full size) for the new mud kitchen, please drop off in the office.

We are looking for parent volunteers to help with a Trike-a-thon on campus for a day in March, please contact Kate Campbell if you are interested in helping out.

Next parent club meeting will be Thursday 2/6 at 9am in Bear Care.

Thanks,  
Kate Campbell
